Explanation: We have been irrigating in past years, but it is becoming cost prohibitive and unduly burdensome from a labor perspective. We did not irrigate in 2012, and intend to cease irrigating our pasture during the period that the water is in the Trust. We will fallow the land and purchase hay for the horses. We anticipate that we will seek to renew or extend the donation, or make the donation permanent, once the initial donation period expires.

Has the water right been exercised/used during the past five years? ☒ Yes ☐ No

Provide the date of the most recent beneficial water use under this water right: Irrigation Season of 2011
